Business Arising - Nil

Cindy’s continued absence from meetings was brought up. Janet will look at the constitution, follow up with Cindy and report back to the meeting.

General Business –

1. Principals position update - Ms Van der Linden did not win the position that she applied for. At this stage she will be returning to Tammin. Future is still unknown.

2. Staffing update – Lauren Merger has left Tammin Primary School, June Sheehan is on long service leave for term 3. Tish Clarke, Helen Willey and Rosalie Packham are sharing the teaching role in the KP1 class.

3. Due to Tammin being overstaffed Nolan has been advised that he will have to run a de-selection process in term 3 that will come into effect in term 4. This means that a staff member will lose 2 days per week.

4. The School review that was prepared by the district director was tabled and Nolan highlighted areas to be addressed.

5. School Camp - $7500 is required. The P and C have committed to donate $2000 leaving $5500 to be funded. The school should have fundraised $2500 toward the cost. From the survey sent out to the families involved (21 students) 6 indicated that they could not afford to fund the full cost of attending camp. All money needs to be in and receipted by the end of week 5 in term 3.

“That the Council make a sub committee to organise urgent fundraising for the 2010 camp”
Moved: Karen
Seconded: Nolan
