On Friday 31 May the Tammin Parents and Citizens Association hosted a Big Breakfast. Thanks to the 2 Kate’s for organising the breakfast. It was once again a huge success and enjoyed by students, parents, staff and community members. We look forward to the next one!

**BECOME INDEPENDENT WITH DAILY ROUTINES – part 2**

Young children like to feel independent, but sometimes they need encouragement and support from their parents to feel that they are capable and that adults believe that they can do it! Once a child learns how to do a skill independently, the adult can fade out of the routine completely. Encourage your child as each routine is completed and celebrate when the task is done.

More tips for promoting independence:
- Don’t do for children what they can do for themselves
- Teach children to manage age appropriate tasks for themselves
- Role model self discipline and good habits
- Set limits, be clear and provide guidance

More tips next newsletter.

**ABSENTES**
