

# I NEED TO STAY HOME IF...

I have a fever	I have diarrhoea	I have <u>live</u> head lice	I have a rash	I have an eye infection	I am vomiting	I have a runny nose with a cough/flu symptoms
A temperature of 38 degrees or higher.	Within the past 24 hours. Do not return to school for 48 hours after the last loose bowel motion.	Itchy head-active <u>live</u> head lice.	Body rash with itching and fever.	Redness, itching, and/or discharge or 'crusty' drainage.	Within the past 24 hours. Do not return to school for 48 hours after the last vomit.	All of these symptoms point to a cold or the flu.

## I AM READY TO GO BACK TO SCHOOL WHEN I AM...

Fever free for 24 hours without the use of medication. (eg Panadol)	Totally free from loose stools and diarrhoea for 48 hours.	Treated with lice treatment and proof provided to the principal.	Free from rash, itching or fever. Doctor evaluation if needed.	Evaluated by a doctor and treatment has commenced.	Have not vomited for 48 hours.	Symptoms have subsided.
