You also have the option to order a sibling photo package online, however please note **sibling orders will close mid-day sharp at least one day before photo day**. We suggest you place your online sibling order as soon as you receive your order envelope with your order instructions.

**Log on to [kapture.com.au](http://kapture.com.au) for your sibling photo order cut-off date and time.**

Late payment envelopes cannot be accepted by the school office or by Kapture. You can place an order online for class or individual photographs at any time for the remainder of the current school year however a \$15 fee will apply if you order more than 10 days after photography.
