  - ⇒ Friday 30 March - Tuesday 3 April Easter break
  - ⇒ Friday 13 April Final day term 1
-

## Tammin Roadworks

Main Roads Western Australia will be shortly undertaking roadworks on Great Eastern Highway within the town site of Tammin between Station Road and Little Underwood Road.

We wish to advise that works are scheduled to commence between 6 March and 7 April 2018 although this may be subject to change. Electronic message boards will be placed in town with current timings. Works will be carried out between 6am and 6pm daily.

Traffic management will be in place during the works. Road users should be aware that they may experience delays however we will endeavour to maintain traffic flow through the area at all times.

For the safety of road users and road workers, speed limit restrictions will apply. Road users are urged to slow down when approaching the worksite, obey all signs and signals and show courtesy to other road users. Traffic controllers will be positioned to ensure the safety of pedestrians during the works.

Please be aware that the works will involve large moving machinery and hot bitumen products. Please exercise care and caution as there may be some loose material/stones or hot bitumen on the road at times. All efforts will be made to reduce noise levels.

We apologise for any inconvenience that the works may cause.

Should you have any queries in relation to this matter, please contact Elizabeth Davies on (08) 9622 4703.
