Student of the Week

Congratulations **KAYLEE!**

Seniors Musical Luncheon

As a school community we are very proud of our students, we continuously receive positive feedback. More accolades were received recently. A lovely letter from the Bencubbin CRC is included in this bulletin. The students photographed below helped out at the Annual Tammin Seniors Luncheon on their day off and represented the school with pride! It seems it didn't go unnoticed!

Musical for seniors in Tammin

As part of the Bencubbin Community Resource Centre we recently brought our seniors to the "Musical Luncheon for Seniors" in Tammin, as part of this group we would like to congratulate the magnificent job the children did of serving the meal, clearing of the tables and ensuring everyone was well looked after. These children were extremely polite and had very smiley faces the whole time they were doing this job. My seniors made so many comments about how lovely it was to see. We loved seeing them dancing in the isles at the end of their shift.

Congratulations must go to the children, their parents and the school for having such polite, well-mannered and happy children. We were so very impressed. Keep up the good work.

Regards

K/PP/1 Design & Technology and Health

In Design & Technology and Health, the K/PP/1 students have been learning about healthy foods and how plant and animal products are used for food in every day life. In the middle of last term each class got to plant their own fruit or vegetables in the school vegetable patch. Over the term the K/PP/1 students have been watering and observing the fruit and vegetable growth.

Last week the class cooked food with their own grown produce. The students made a healthy salad to have with some marinated chicken and they also made mango and banana smoothies.
