A Letter From the Student Council

First of all we'd like to welcome our principal Mrs Sims and our new gardener Mr Sims to our school. We'd also like to welcome back all of our students, parents and caregivers back. We have a great year planned for 2019.

As the student councillors we have lots of different roles to play in this school. We have Clare and Rohan as our South and North Bus CEO's. We walk the bus kids out to the bus, organise seating and make sure kids arrive home safely. Angelique and Campbell are our Technology CEO's. They look after all our technology equipment, report breakages and manage assemblies.

As our Communication CEO's we have Alexis and Ree-anna who help organise events, fund-raisers and they also talk at events. We have Cheryl and Nicholas as our NAIDOC CEO's. This role includes raising flags, help set up NAIDOC activities and perform Welcome to Country at assemblies. Finally, we have Brooklyn and Alex who set up sports activities and fitness, take care of equipment and organise sporting events.

Just a reminder, we have breakfast club every Thursday which include toast, cereal, Milo, juice and occasionally jaffles, breakfast muffins, crumpets, hot cross buns, raisin toast and smoothies. Later in the year we will possibly be having a sausage sizzle fund-raiser for the school. This will most likely happen in term 2. We will have sausages and icy poles available. Breakfast Club will be free but there will be a cost for the sausage sizzle.

We are also planning a fund-raiser for children with heart disease, as some of our relatives have tragically been taken by this. We are thinking of having a big breakfast later in the year while the P & C will bring in some breakfast foods for parents and students to happily eat. This will be a gold coin donation day and funds will be given to save the lives of children with heart disease. We also might be holding a school sleepover later in the year as well but we will send out further details in regards to it if it's happening and when it's happening in a few months time. We will just see how things turn out.

We hope everyone has a safe and exciting year and we can't wait to organise some fun events for everyone to participate in. By the way, the junior cricket team is a few players short for a game in Mukinbudin this Saturday. If you have a child that is in year 3 or above and is available to play, please contact Mrs Tanya Nicholls on 0408 090 422. Training will be on Friday afternoon at Tammin Oval.

Thank you and once again have a safe and happy new year!

Regards, the student council of Tammin Primary School.
