

TPS Bulletin

Term 1 Week 9

2 April 2019

A Message From the Principal

Congratulations to the Year 6 school councillors for running a fantastic school assembly last week. All of the students spoke clearly and confidently taking their roles very seriously. The message in the senior room item was about finding the superheroes around you. This was a great message for all the students to see we can all help and support each other and each of us has strength.

The parent meetings will start this week and through these meetings parents can get a clear understanding of how their child has started the year. Individual learning programs have been set up for students needing further assistance and extension programs for others. Open communication between parents and the classroom teacher is so important to ensure the connection between home and school is strong.

At the previous Tammin Primary School P&C meeting, I discussed one of our school priorities for 2019 which is STEM (Science, Technology, Engineering and Mathematics). The P&C were very supportive of our program and have offered significant financial support to the school. It is fantastic to see the P&C working alongside the school to ensure the students receive the best opportunities and experiences. We have a STEM incursion organised for term two where the students will work on project based learning around technology, creating solutions, designing' mapping digital systems and coding robots. In term four the year five and six students will also be competing in the *FIRST LEGO* League. *FIRST LEGO* League challenges kids to think like scientists and engineers through team work and designing a robotic program where the robot will complete tasks in a Lego designed course.

I would like to say thank you to Sam Pimlott and the Tammin Shire for funding and organising the silent disco we will be having on the last day of this term. Our focus in 'The Arts' this semester is dance and the students will have an opportunity to learn some hip hop moves and participate in interactive dance challenges.

Term one has been a fun filled term of sport, dance and motivating learning opportunities in class.

I would like to wish everyone a great holiday!

Sarah Sims PRINCIPAL

Coming up...

- ⇒ Thursday 4 April - Breakfast Club
- ⇒ This weekend - Fuse Festival and Tammin Art Prize
- ⇒ Friday 12 April - Final day term 1, Free Dress Day, Hip Hop dancing, Easter Bunny visit and student portfolios home

STUDENT OF THE WEEK

Angelique

CONGRATULATIONS Angelique!

Free Dress and Rewards Day

Next Friday 12 April we will have a free dress day. The Shire of Tammin have kindly organised a reward for the students as they have worked so hard this term. Students will have an afternoon of hip-hop/crazy dancing and party games. Lunch times will be changed for this day 12:20pm-12:50pm. The Easter Bunny may pay us a visit!

Tammin P & C Association

Fundraising **SHOPPING BAGS** are still available for **\$5** each. Please ask at the school office or an order form can be found on the school website.

Tammin Art Prize

Students will have their work on display at this weekends Tammin Art Prize. Tammin Town Hall Friday 5 April 6:30-9:00pm and Saturday 6 April 9:00am-12:00pm. Entry fees apply for adults.

Merit certificates

Congratulations to the following students on receiving merit awards at our last assembly.

Campbell	Clare	Declan	Maylee
Megan	Amelia	Brody	Mardi
Nelliah	Xavier	Bianca	James B

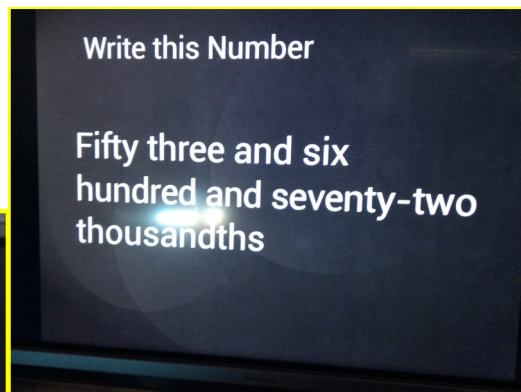

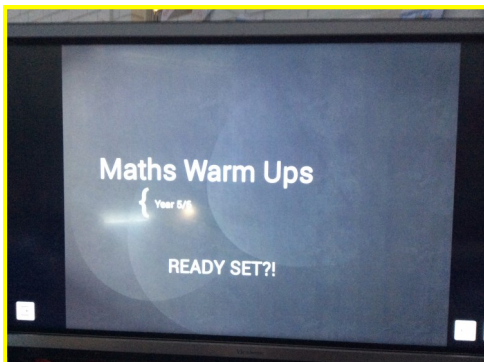

Year 5/6 Technology report by Campbell and Angelique

At Tammin Primary School we have 15 iPad minis and 5 iPad airs all connected to our wi-fi that students can use for re-search. Students also use the iPads to play educational games such as Prodigy, Reading Eggs and DQ World.

We have 24 HP Notebook computers. We use these computers in our classroom. This term we have been using the laptops for writing narratives.

Each classroom has a mobile Smartboard. These make learning more interesting and assist our teachers to explain lessons in detail. In the photos below you can see what we in year 5/6 do in our maths lesson with the Smartboard.

Year 5/6 ANZAC report by Alexis

On Friday 29th of March the 5/6 class had some very special guests come to our school to talk about their relatives who have fought in different wars across the years. Our class split into three groups interviewing three very special people.

Group one interviewed Mrs York. Mrs York was very kind and educated group one about her Great Grandad-in-law Harry G H York. Group two was delighted to interview Mrs Lainy Packham. Mrs Packham spoke to group two about her fearless Uncle Frank. On Monday group three were privileged to interview Mrs Joan Button. Mrs button spoke about her amazing father Stanley Franklin. As we were interviewing, two people from each group wrote down key facts about these inspiring people. This week the year 5/6 class are in the process of writing a biography based on the people we we discussed during the interviews. In preparation for the interviews we were joined by another guest, Mr Hunter. Mr Hunter drove 5 hours to Tammin just to help us with our interview skills and for the we are very grateful. Mr Hunter is a news article writer and journalist. Mr Hunter taught us some incredible tips for interviewing our guests.

Term one sport report

By Alex

On the 8th of March some of the year fives and sixes were delighted to be able to go to the Tennis Academy Plate sponsored by Sunsmart and the Darcy Slater Foundation. It was a very sunny day down at Beverley with temperatures around 35 degrees. All of the students had a tremendous day with team A getting placed third and team B having an incredible experience and learning a lot

The next day on the 9th of March a few students got to participate in the interschool swimming carnival held at Cunderdin Swimming Pool. We all had a blast and tried our hardest the whole day and ended up getting outstanding results. This year we won the East Avon perpetual shield for the third year in a row, although we couldn't have done it without our amazing joint Meckering Primary and Merredin College.

Design and Technology - Clare

This term, the year 5/6 class has been exploring and learning about litter and the impact it has on our environment as a topic for design and technology on Monday afternoons. For the past 3 weeks, we have been going around the school, collecting data and taking photos of all the litter that we find. Each week we marked off the spots where we found the litter and some of us crossed off the litter that somehow disappeared from the week prior. A few of us were surprised at the amount of rubbish we uncovered, yet a few of were not as stunned. Some of us were a bit disappointed, as we didn't only find food packets, but we also found alcohol cans and empty cigarette packets.

We recently interviewed the year 3/4 class with the information we had and asked them about their opinions on the litter around the school. A majority of us were highly intrigued by their answers, and a few we found were reasonably humorous. We also questioned them on how they think we could help decrease the amount of litter in the environment, as it is affecting the wildlife and nature around us. In the future, we hope to create advertisements and reminders, and we may even manage a School Clean Up day sometime this year. This topic has been really fascinating and we all can't wait to learn more.

Winter Sport Registration

Hello Everyone the online registration links for 2019 are now open. All registrations MUST be completed online again this year.

AUSKICK for boys and girls in Kindy to Year 2

Your child needs to be turning 5 in 2019 for the registration to go through, this minimum age is set by Auskicks National program.

Cost is \$70 and again is set at a National level – this will include an Auskick pack posted directly to your child.

Link to Auskick registration is: <http://www.aflauskick.com.au/#/centre-finder-panel> (Type in Kellerberrin to find our Club)

****Apply for Kidsport Funding first if you are eligible, you will need the Kidsport code BEFORE you register!**

JUNIORS for boys and girls in Year 3 to Year 8

Date of birth must fall between 30 June 2005 and 30 June 2011 – if your child's Date of Birth isn't in the correct range then you won't be provided the item box to select on the registration page.

Cost is \$45 this year – if you are not prompted to pay online then your application won't have been processed correctly – please email kellerjuniorfooty@gmail.com if this occurs.

If you are registered with another football club, you will need to email details to us to investigate kellerjuniorfooty@gmail.com

Junior registration link:
<https://membership.sportstg.com/regofrm.cgi?aID=26303&pKey=4e0f1fdb278ca89ce99091fb2608ec54&cID=248306&formID=36056>

****Apply for Kidsport Funding first if you are eligible, you will need the Kidsport code BEFORE you register!**

KIDSPORT

Apply for **Kidsport funding** now, **MUST BE ONLINE** – the link to the website is: <https://www.dsr.wa.gov.au/funding/individuals/kidsport/apply-for-kidsport>

You will be given a code that will need to be entered when you register for either junior football or Auskick.

Information: The junior games will again be played on Friday nights in 2019. Players are expected to arrive by 5:00 pm for warm up and the games will commence at 5:30 pm.

Training for juniors only will be on Wednesday evenings from 5:00 pm – the start date will be confirmed as soon as all coaching positions are filled.

Parents/carers will be required to help out with some duties during the season- goal umpiring and/or jumper washing (the committee and umpires can show you how it's done if your unsure – it's very easy).

Junior players will be given the opportunity to play before KATS league games when they are playing Beverley, Quairading and Cunderdin as these town have juniors that are keen to play.

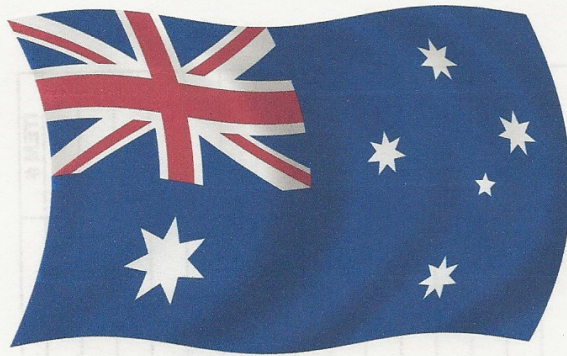

Auskick will be held on Friday evenings from 5:30 pm for up to an hour – parent support is much appreciated in running these sessions.

The Kellerberrin Junior Football Club look forward to supporting your children in 2019 and we look forward to you all helping us out wherever you can.

Many thanks,

Kerry Forsyth

Secretary for KJFC 2019

Positive Parenting

By Professor Matt Sanders

As a parent, you want to do the best for your child, but how do you know what's right? What do you do when your child answers back? Or is being bullied at school? Or starts telling obvious lies?

Over coming weeks, I will share some of Triple P's proven tips for the best ways to handle common behavioural and developmental problems in children. From battling disobedience to encouraging homework routines, I'll cover those everyday issues to help you work out some strategies to suit your family.

I'll highlight common "parent traps" and hopefully make the very important job of raising kids as enjoyable and rewarding as possible.

But remember, parenting is sometimes hard work and it may take time to tackle more difficult problems. **The good news is that help is always at hand. Throughout Cunderdin, Meckering and Tammin Avon & Central Wheatbelt Primary Health Child and Community Nurses are offering parenting support with Triple P, one of the world's most highly-regarded parenting programs.**

Professor Matt Sanders is founder of the Triple P – Positive Parenting Program. For more information go to www.triplep-parenting.net or contact Donna.Jasper2@health.wa.gov.au.
