### Woolworths Earn and Learn

Don't forget! We are collecting Earn and Learn stickers from Woolworths supermarkets. There is a collection box in the school office.

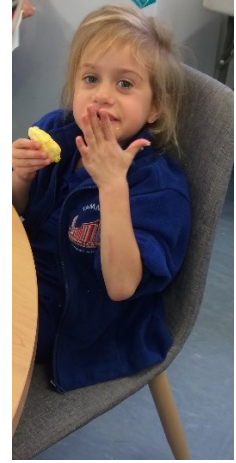

## K/PP/1/2

Wow!! We are a super busy classroom! In Science we have been learning about water, where it comes from, where it goes, what we use it for and how we can look after it. We created a landscape model and pretended we were rain to explore what happens to the water when it rains. We drew a labelled diagram to explain what we found out. We wish it would rain in Tammin.

This week the Kindy and Pre-Primary children have been learning about the 'c' sound. We sorted coins, made caterpillar patterns with pom poms, made a Very Hungry Caterpillar and read the story by Eric Carle. We decorated a cake and had to glue candles onto our cake. Eliza "I popped on four candles because I am four." Blake: "I needed four candles because I am four."

The Kindy and Pre-Primary children also made corn fritters this week. Ask them if they can remember the ingredients they needed to use and the method. The PP children did some writing about making their corn fritters. Sonny loved the corn fritters, Brody did not like the corn fritters!!

### **Tammin P & C Association**

P & C sausage fundraiser every **Wednesday** this term.

**Sausages \$2.00 Icy poles .50c**
