Term 2 Week 10

2 July 2019

A message from the Principal

It is the end of Semester One already and we have been busy getting students reports ready to send home on Wednesday. After reading each report, it is evident the hard work the students are putting in and the dedication the staff are showing in supporting students to achieve their best. I look forward to seeing how the students' progress in Semester Two.

Over the past two weeks I have been involved in a few special days with the students and within the community. Last Thursday I attended the Playgroup Graduation Morning Tea which was a lovely day to celebrate the Kindy's last day at playgroup. They will now be attending Tammin Primary School three days a week. It was nice to share this special day with the students, parents and community members.

On Monday the 24th June, Mrs Constantine and I accompanied the Year Six students to the Resilience and Well-Being Expo in Merredin. They were put into groups with students from surrounding schools and rotated around seven activities. Each activity was based around healthy drink choices, positive feelings and thoughts, effects of drug and alcohol use on the body, Internet safety, team work and calming activities. The students came out with a show bag and some great strategies on how to handle situations they may encounter as they move into high school.

On Friday we had a visit from Trayning PS and Meckering PS who spent the day at the school working in six different classes. It was a great experience for the students to work in a class with other students. Recess and lunch time was lots of fun with nearly 100 students playing football, hockey and basketball, riding bikes, playing in the sandpit and making new friends. In the afternoon, the Shire of Tammin put on a disco for all the students which was a great way to finish the day. Thank you to the Shire of Tammin and Sam Pimlott for organising such a wonderful event for all three schools to attend.

Next term the students will start on Tuesday 23rd of July and school photos will be on Wednesday 24th July. Kindergarten students will attend three days in Semester 2. Monday, Wednesday and Thursday.

As we go into the school holidays, I would like to wish you all a safe and enjoyable holiday.
