# STEM DAY

Thank you to all the parents who joined us with preparing our school kitchen garden last Friday. The students worked hard to fill all 5 garden beds with a variety of vegetables. Please don't be alarmed by the friendly snakes all over the garden beds, we are keeping the resident crows at bay. Mr Sims has set up a watering system, we look forward to our first crop early next term. We had pizza lunch with Sergeant Patrick Lynch from the Kellerberrin Police followed by a vortex competition. As predicted, the year 6's won! Thanks Sergeant Lynch for joining us.

## NEWS FROM THE LIBRARY

MRS THOMSON

Third Term - week one started off well with 88 borrowers, so it's very exciting that our students are not just reading one book, some are borrowing two or three.

Over the term all our students got to make their very own Library Star which proudly hangs in the Library.

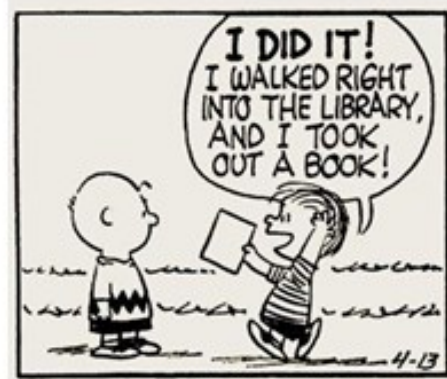

We were very fortunate to be able to purchase some new books with the money raised from Scholastic. These books were for years 3 to 6 as they were 'series' books. Thank you to Tanya for all her hard work organising Scholastic, as our whole School gets to benefit from its success.

A big thank you to Mitchell for the 'No Bullying' poster on the library door – a very important message.

---

*A big thank you to Mrs Rosalie Packham for donating 20 Craft Books to our Library. Our students love these sorts of books, and they have already been borrowed many times.*

---

A big thank you to Mrs Sims and all the teachers for allowing our students time to come and enjoy their library, which they love and lastly a big thank you to Mrs Mackin and Mrs Bradley for all your support.

Regards, Mrs Thomson
