Term 4 Week 8

3 December 2019

A Message from the Principal

I hope everyone is having a wonderful week and harvest is progressing well for our farming families. I wanted to share some great news with the community as we are very proud of our school.

Tammin Primary School has been selected as one of three public schools in rural and remote areas of WA who have been identified as a successful case in NAPLAN results for both Literacy and Numeracy. The University of Melbourne have received permission from the Department of Education to conduct a research project on what makes us a successful school.

This is a result of the dedication the staff at Tammin Primary School have to providing the students with the best education opportunities and the Whole School Operational Plans in place. The students have worked extremely hard to reach our school targets and should be proud of their achievements.

I hope you have a lovely week. Sarah Sims Principal

K/PP/1/2

Last Monday and Thursday and this Monday, we welcomed three new students who will begin Kindy next year! We are so excited to meet Brya, Charlie and Banjo! This week we had a great time making pictures of ourselves, decorating a Christmas tree, having morning tea together and having a play outside! We can't wait to have you in our class next year! Thanks for coming and playing with us!

P & C fundraising shopping bags are for sale in the front office for \$5.00 each. These are a fantastic size, are durable and have so many uses, including use as a swimming bag.

In Term Swimming

In-term swimming started today. Students in years 3 to 6 are encouraged to wear their bathers under their school uniform. Please supply a towel, change of underwear and plastic bag for wet items. Thongs can be worn to school over the next two weeks of lessons.

Concert rehearsals

Over the next two weeks, students and staff will be walking to and from the Town Hall on some afternoons to rehearse for the end of year concert.
