Term 1 Week 6

10 March 2020

## From the Principal

Welcome to Week 6 – time is flying fast. We commence the new class structure operating three classrooms. We will continue to cross-set to ensure students are working at level. This is a very flexible arrangement as students can move in and out of groupings according to progress.

I would like to extend a very big *Thank You* to all of the parents who made the effort to ensure that their children participated in the Swimming Carnival on Friday. It was great to see the level of support and encouragement that our students gave to one another, even when they were the slowest in the pool. While I understand that there were some very good reasons for student absence, it was somewhat disappointing that only 21 of the possible 36 students attended the pool to represent their school as either competitors or supporters.

Congratulations to Noah, Mitch, Sam, James, Lincoln, Sophie and Kaylee who did extremely well at the carnival and will represent us at the Interschool Carnival on Friday. I would also like to congratulate both Sophie and Millie for continuing on to finish a race that they were obviously not going to win. Well done to everyone!

Throughout the news there is constant reminders of the *Corona Virus* and its impact world-wide. While I am convinced that we will not be directly affected, it is an excellent time to remind the children of healthy practices which need to be observed. We are ensuring that we are well stocked with toiletries and will ensure that children are reminded to wash their hands prior to eating at lunch time. Children will be reminded to cough into their elbows, and to use tissues carefully, respecting others by placing soiled tissues into the bin. The cleaner will focus on ensuring that tables and door handles are regularly wiped using disinfectant.

# Welcome to K/P/1/2!

Our kindy students have been learning their letter sounds. Last week we learnt the 't' sound! We had lots of fun making tigers and playing with the train track.

In pre-primary we have started to look at measurement. They did a fantastic job on a hunt around the library to practise our skills and find out what is longer.

This term for Talk4Writing, we have been learning the story 'Dear Zoo.' Our year 1 and 2 students have changed the characters in the story to create their very own book. We are now working very carefully to use the laptops to type up our books!

## Kellerberrin DHS P&C invite you to attend an information session with Clark Wight

**Wednesday 18<sup>th</sup> of March 2020**

### Future-proofing Relationships between Parent and Child: From 5 to 40+

*Clark Wight grew up in Baltimore, Maryland USA and now lives in Mandurah, Western Australia. He is a highly experienced educator who has taught at every year level, including being a Headmaster of a Junior School in Perth, Australia and Head of Campus at University School in Cleveland, Ohio. Clark has worked as a leadership consultant for schools and businesses, and as a conscious parenting advocate and presenter through his Our Boys and Conscious Parenting seminars. He is now living his passion as a leader of a preparatory school, Guildford Grammar, in Perth and spending his days immersed with kids and deep, slow purposeful learning. Clark is a father of three children – one just starting the journey of adolescence and two in their 20s – who daily offer him the opportunity to reflect on his skills as a parent and teacher.*

#### **“Future-proofing Relationships between Parent and Child: From 5 to 40+”**

In his presentation, Clark will look at key developmental stages and behaviours that underpin development, as well as strategies for dealing with the expected and unexpected in your home. Clark will discuss some of the key concerns that parents raising children in today's world face – gaming, pornography, violent visual content, keeping them engaged at school and the need to help build character. Clark will talk about what works with our children and what needs changing to truly help them grow into awesome adults.
