

TPS Bulletin

Term 2 Week 5

26 May 2020

As we are in the middle of the term it is timely to discuss reports. Due to the disruptions to the education process for all students, it is difficult for teachers to make effective judgements about student progress, however they are able to provide you with information as to how they are going at school.

The Department ruling is that there is no requirement for an A-E grade or equivalent 5-point scale. Reports will be completed on the Department-endorsed template. Parents will be provided with information on Literacy & Numeracy (no grade) with a written comment, as well as a general comment. For all other subject areas, parents will be informed of their child's ability working in this area.

Reporting to parent evenings should not be conducted face-to-face, however a meeting can be requested where a parent or teacher considers it is in the best interest of the student. Please note that teachers are more than happy to discuss student progress at any time throughout the year and are available for a phone interview at any time.

Marita Henry

REMINDER

This Friday 29th - Staff development (no students)

Monday 1st June - WA Day Holiday (no school)

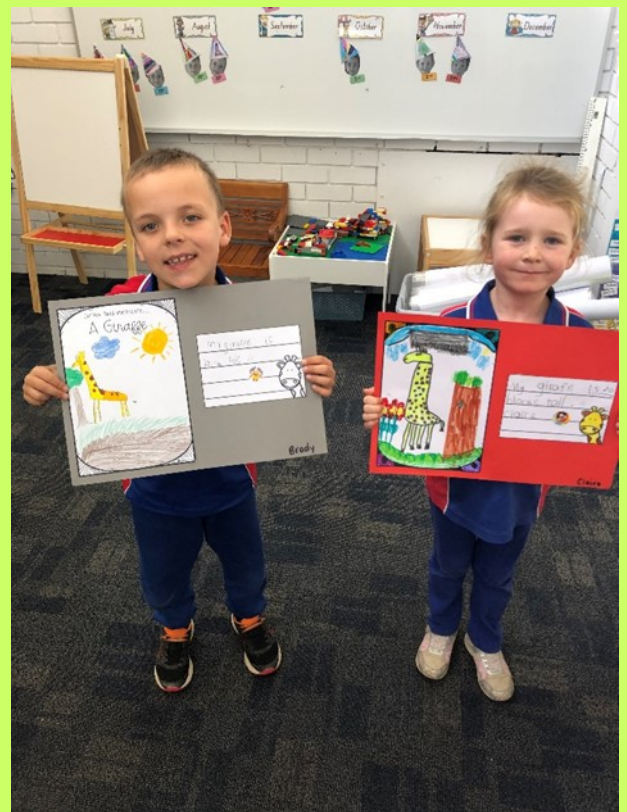

Term 2 in K/P/1/2!

This term we have been learning about spiders! The P/1/2's read the story *Sidney Spider* and wrote about the parts we liked. We created a fact file all about spiders. We also made some spiders and spider webs to hang up in the classroom!

The Kindy students practised singing *Incy Wincy Spider*! They then changed the words to a different animal and object and painted a picture of their new idea!

We have been doing lots of measuring activities in maths. For one of our activities we drew our own giraffe and then used 1cm cubes to measure how tall it was!

STUDENT OF THE WEEK!

SAM J - *Congratulations!*

P & C Meeting

P & C meeting will be held in the Pavilion at;

7:30pm Thursday 4th of June.
