Term 2 Week 10

30 June 2020

## *From the Principal.....*

Welcome to the final newsletter for the term. It has been an extraordinarily different term, with COVID-19 requirements, and the restrictions put in place for things such as parents onsite. Fortunately, WA has done a very good job of keeping us safe and, all being well, things should get back to a more normal situation in Term 3.

Our hygiene practices will continue to apply throughout Term 3, with cleaning of all hard surfaces that are likely to be touched by staff and students cleaned three times per day. We will continue to have a full time cleaner onsite throughout the term. Parents are welcome to come onto the school site for meetings or for assemblies although we do ask that they minimise this where possible.

Many of the previous whole school activities will be re-commencing, including our parent supported Sausage Sizzle. We will ensure that parents or staff utilise disposable gloves, and that children are served their food in a COVID Safe manner.

Mrs Rosalie Packham has been appointed for the rest of the year while Mrs Haythornthwaite is on maternity leave. Mrs Carolyn Dixon has not taken up the rest of the year and her position is currently advertised. The successful applicant will be appointed early next term.

Reports are completed and all parents should receive their child's report on Wednesday. Due to COVID-19 with many students participating in a range of education options, it has been difficult to make effective judgements about the level of achievement in many learning areas. For this reason the department has stated that schools are not required to provide subject grades. If you have any concerns relating to your child's report, please feel free to make an appointment to discuss this with your child's teacher.

Please have a happy and safe holiday, and enjoy the freedom that we have in WA to explore our own state.

## PJ's and Winter Woollies dress for the last day of Term 2

For a gold coin donation to assist the volunteers that drop off our wonderful food pantry items each week, students can come to school dressed in their PJ's or Winter Woollies this Friday 3rd July.

## P&C Sheep Poo Fundraiser

Please see main advert over the page if you would like to support the P&C and purchase some sheep manure for your garden. Funds raised will be helping the 5/6's attend camp at Dwellingup in Term 4
