Term 2 Assembly

Last week we held our Term 2 Assembly, sadly, again behind closed doors to the community. We are hopeful next term we will have everyone back. The year 5/6 students performed a fantastic dance routine with a Coronavirus theme to the song, 'Can't touch this'. They also sang the full version of, 'Click goes the shears' as part of their music lessons with Mrs Henry this term. We look forward to seeing the 5/6's repeat their fantastic dance routine at next term's assembly for the whole community.

UPCOMING EVENTS.....

- ⇒ **Friday 3rd July - Final Day of Term 2**
- ⇒ **Tuesday 21st July - First day of Term 3 for students**
- ⇒ **Wednesday 22nd July - Whole School Photo Day**
- ⇒ **Thursday 23rd July - Circus Challenge Incursion**

Kellerberrin Food Pantry Deliveries

Here at TPS we are so lucky to receive wonderful food donations from the Kellerberrin Food Pantry via Aldi in Northam. Each week we take delivery of wonderful produce and pantry items from volunteers **Brian** and **Chris**. From these donations we are able to offer the students fresh crunch and sip items, recess and lunch for those that need it and fun whole school lunch days like pizza and hot dog days. We are so grateful for this service that originally began with the Kellerberrin Police. Constable Mel was passionate about helping those in the community that really need it and ensuring school children had access to regular healthy food.

STUDENT OF THE WEEK!

NINA - *Congratulations!*

Thank you!!!!

Last week, staff held a little morning tea to recognise all of the extra work that our cleaners Karen and Nellie have done over the last few months during COVID-19. They have done an amazing job keeping our staff and students safe. Thankyou!

Unwell Children

As much as we love seeing everyone's smiling faces everyday, if your child is unwell, please keep them at home until they are feeling better. This may include a temperature, cough and or runny nose. If you are unsure if they are well enough to return, seek medical advice to have them cleared. Most consultations are available over the phone at the moment to make things a little easier.

P&C Sheep Poo Fundraiser

Please see main advert over the page if you would like to support the P&C and purchase some sheep manure for your garden. Funds raised will be helping the 5/6's attend camp at Dwellingup in Term 4.
