## *From the Acting Principal– Stacy Hunter....*

I would like to begin by saying a huge thank you the staff and students for welcoming me into Tammin Primary School. I can already tell that students are positive, respectful and eager to learn and staff are doing their utmost to allow children to reach their fullest potential. I have been teaching for sixteen years, ten of those at Meckering Primary School and have attended most of the Meckering/Tammin athletics and swimming carnivals. I am a Perth born girl with little knowledge of farming and the country, however have learnt a lot in recent years about headers and other machinery that I had never heard of. I am the mother of two boys that my husband and I raise in Northam. I am looking forward to meeting you all over the next three weeks, please feel free to drop into the office for a chat, if it is a matter of urgency or a more formal conversation please make an appointment via phone or email.

Thank you

Stacey Hunter

Acting Principal

## K– 2 Assembly
