Squeaky Clean!

Handwashing is important for the whole family. Wash your hands for at least 20 seconds in warm soapy water before eating or cooking to wash away the germs hiding on our hands and under our finger nails! Help prevent the spread of germs from person to person. When

School Survey

The School Survey that we need to complete every couple of years has started. If we have your email address, you would have been sent a link to complete the parent survey. It was developed on behalf of the Australian Government to gather valuable feedback from our school community. The School Survey is done online, but can be done on paper if requested or online at the school. If you would like to use one of these options to have your say, please let Mr Rose know.

NAPLAN

NAPLAN started today for the year 3's and year 5's. They will do one assessment each day, starting with Writing (today), Reading on Wednesday morning, Conventions of Language on Thursday morning and Numeracy on Friday morning. There may need to be catch-up sessions too for those who missed any of these. Students don't need to do anything extra or different to prepare for these assessments, and it is generally better for the students if we keep them low-key and stress free.

The Little Prince

We are looking at having a PP-Yr6 excursion to the Cummins Theatre in Merredin to see "The Little Prince" presented by Spare Parts Puppet Theatre. It is on Thursday 3rd June and suitable for 5-12 year olds. With its timeless message of the importance of forming friendships, The Little Prince is an adventure story that celebrates the strength of our imagination. One of the most widely read books in history - 140 million copies sold worldwide - Saint-Exupéry's exquisite and mysterious tale tells the adventures of a young and very curious prince who leaves his tiny home planet and journeys across the universe. Along the way he meets a pilot crash-landed in the desert, a cunning snake, a wild fox and an oddball cast of grown-ups with some very silly ideas about the things that really matter.
