Staffing

Hello everyone my name is Mrs Monica Geary and I have joined the junior class as an EA.
I moved from Perth almost a year ago, with my husband, 2 children, and 2 big grey dogs. My favourite thing to do is surf and play netball. My favourite colour is orange. And if I was lucky enough to have a superpower it would be to fly.

Student of the Week

Colt Humphrey—for working hard on his Geography project about the different biomes around the world. Your persistence to improve the quality of your work is starting to pay off and I am really proud of you.
