Week 7 Term 2

## Winter Carnival

Congratulations to all the teams that participated in the Winter Carnival last week at Wyalkatchem Recreation Oval.

Thank you to the host school Wyalkatchem District High School for organising this event.

We would also like to thank our parent helper, Mrs Kate Raston, for providing the extra training for our hockey team in the lead up to the carnival. Well done to the Meckering/Tammin teams for their excellent display of sportsmanship on the hockey and football fields.

## School Survey

Just a reminder to all parents that the School Survey has been sent home via a link to parent email addresses. This is a great way to gather feedback from our school community. If you would like to complete the survey on paper or online at the school, please let Mr Rose know. The survey is due this Friday.

## Parent Communication

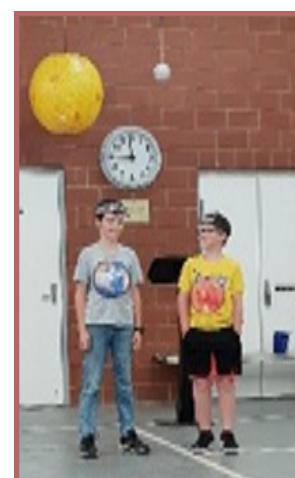

Reminder to all parents and carers that each student has a communication diary. This diary is to be used for communication between the parent and the school. It is important that any changes to the collection of students at the end of the school day is notified by the parent, for example if your child is not going on the bus and will be collected by someone else, the school must be informed.

From **Wednesday 9 June to Friday 11 June** our school server will be upgraded. During this time the schools SMS service, MGM Outreach, will be unavailable. For all communication please phone the school on 9637 1051.

## Thank you

The senior class would like to say a big thankyou to all of the special people who came to watch our assembly. We had the best time and hope you enjoyed our performance.
