Week 8 Term 2

Cummins Theatre Merredin

Last week the students participated in a puppet making workshop run by the Cummins Theatre along with Spare Parts Puppet Theatre.

This was followed by an excursion the next day to the Cummins Theatre in Merredin to see "The Little Prince" play, presented by Spare Parts Puppet Theatre. The students then enjoyed a picnic lunch in the park before heading back to school.

A total of \$23.10 was raised from our Subway fundraising which is a great start to our funds for the year 5/6 camp in 2022. Thank you to everyone who purchased a subway fundraising lunch order.

Student of the Week

Sam Jones—for being an optimistic student and engaging in all learning activities with a positive attitude.

Parent Communication

From **Wednesday 9 June to Friday 11 June** our school server will be upgraded. During this time the schools SMS service, MGM Outreach, will be unavailable. For all communication please phone the school directly on 9637 1051.

News from the Library

Now that our beautiful library is finished with the new book shelves and books donated by the P & C and the couch that was donated by Chris and Lola, all the students are really enjoying coming to the library. It looks great with their book reviews and book worms hanging up around the room.

Book borrowings are up with some students borrowing two to three books each and their books are mostly returned on time as well.

If you haven't had the opportunity of seeing our library, please feel free to pop in and have a look, you are very welcome.

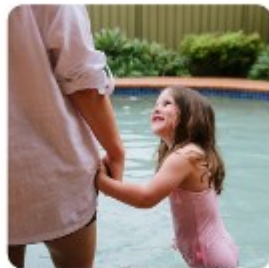

Happy Reading from Mrs Thomson

KEEPING KIDS SAFE AROUND WATER

Drowning is the leading cause of preventable death in children under the age of 5.

All parents, grandparents and carers of children aged 0-4 years are invited to attend a free workshop to learn more about how to keep kids safe around water.

The Royal Life Saving Society will share information about **Why young children are at risk and actions to keep your kids safe around water**

St John Ambulance will be in attendance to deliver **Infant and child CPR practical session**
