## Staffing

Hello everyone,  
My name is Mrs Jayne Saunders.  
I have joined the senior class as an EA.

I live on a farm in Kellerberrin with my husband Craig and 3 children. There are not many photos of me around, as I am usually the person taking them.

A lot of you may already know me from junior sports like football and aquatic club. My favourite colour is green and I secretly love superhero movies.

## Student of the Week

### **Hunter Norwood—**

Working hard on improving his handwriting and sentences. He has written great descriptions about his pet Loki. Keep up the hard work Hunter!

## Yorkrakine Rock Cultural Visit

Last Wednesday we all went to Yorkrakine Rock to listen to some of our community Elders talk about the significance of the rock and what life used to be like. Some students had the opportunity to film these stories. We had time to go exploring, and we cooked damper in the ashes of our fire. Thankyou to all of the families and the Elders for accommodating the late change of day for the excursion due to unsuitable weather on the Tuesday. Thankyou also to the Shire for the use of their bus.

Students asking questions to the Elders and filming their answers.

Looking for tadpoles.

Brody with a tadpole.

The students are listening intently to the stories about the rock and how life used to be.

Thank you to Larissa and the students for making the damper to cook on the fire at Yorkrakine Rock.
