## A message from the Principal.....

Dear Parents and Carers

Welcome to 2022 at Tammin Primary School. I am really excited to be here and I'm looking forward to a very productive and positive year of learning and growth with your children.

### STAFFING

We have had a few changes in staff and I'd like to take this opportunity to welcome to our school Ms Tricia Delamotte in our junior class and Ms Lizzie Stack in our Languages classes.

We have had a smooth start and I thank you all for your very warm communication with me.

### COVID-19

As you are aware, there are numerous very clear regulations that we are working under in this ever changing environment. *Please read any information we send home* about developments relating to COVID-19. I will keep you as informed as possible through the information provided to me from the Department. The media can sometimes pre-empt situations. Please be assured that I will provide information to you as soon as it is available to me from the Department.

Thank you for your support already with the mandated wearing of masks. As of today, I request that you drop and collect your child/ren from outside the main school entry. Can I also request that you send a drink bottle to school each day with your child/ren so they do not need to drink directly from the drink fountains but can refill their own bottle throughout the day. This will ensure good hygiene practices continue along with hand sanitisation regularly during the day. Our overarching goal is to keep our school community safe. Thank you again for your support to do this.

### COMMUNICATION

For the last few years, we have sent home hard copy newsletters to provide you with information about your children's learning, upcoming events and activities each week. As we have grown in our communication capacity and we use so many means of communicating with you, I would like to review the regularity of the newsletters we send home. Please complete the online survey (link below) or hard copy survey and return to the front office by next Friday (February 18).

### ATTENDANCE

*Every day your child attends school matters.* Coming to school regularly is really important to their learning. If your child is unwell please keep them at home and notify their teacher or the front office so we can use the correct code to mark their absence. This Friday is **Census Day** where our funding is calculated on the number of students we have at school on that day. I look forward to having all students at school not only this Friday, but everyday. This will ensure your child/rens learning continuity is not disrupted and they do not miss vital information or curriculum content.

Kind regards

Yvonne Darcey  
Principal

# Kellerberrin Community Men's Shed

A big thank you to the Kellerberrin Community Men's shed for their great work and contribution to our school. The wooden blocks in our junior room were in need of some repairs and the Men's shed kindly sanded and oiled our blocks and even made some new ones. The students are thoroughly enjoy them.

# Thankyou

## Lunch Orders

Lunch orders from the Tammin Roadhouse are available Mondays and Thursday. All Orders to be placed at the school front office before 9am. Order bags and menu available from the front office.

## Student arrangements for pick up and drop off

Parents are reminded that ANY changes to student pick-up or drop-off arrangements need to be communicated by the parent or caregiver via the student diary, SMS 0437 416 596, email [tammin.ps@education.wa.edu.au](mailto:tammin.ps@education.wa.edu.au) or via the office 9623 4080.

If there is no written or verbal communication from a parent or caregiver changing arrangements for their own children then:

- Bus children will be sent home on the bus as usual.
- All other children will be kept in the school office until their parent or caregiver has been contacted.

It is the responsibility of the parent or caregiver to notify the bus driver of any changes to bus pick-up or drop-off.
