25 February 2022
Week 4 Term 1

A message from the Principal.....

Dear Parents and Carers

Communication survey outcome

Thank you for responding to the survey sent out in the last newsletter. As a result of your feedback, our newsletters will be published once a fortnight for this term.

2022 Student Leaders

Our Year 5 and 6 students presented themselves admirably, speaking to leadership roles to convince their peers they were the best person for the job. I was very impressed with the way they conducted themselves and the quality of their speeches.

Congratulations to:

Sophie Packham - Citizenship
James Bradley - Sports
Sam Jones - Sports
Kimberley Soderlund - Cultural/Diversity
Kaylee Constantine - North Bus
Colt Humfrey - South Bus
Lincoln Caffell - Technology
Kye Wirth - Technology

Swimming

Today is the final day of our two-week swimming program for 2022. The lessons have been successful with everyone giving their best and improving their swimming skills. Next Thursday, March 3, students can put these new found skills to the test in our Faction Swimming Carnival with Meckering. If you are available to help in any way, please let us know. Hopefully the warm weather persists for the event.

Council Meeting Reminder

Next Tuesday is our first Council Meeting for 2022. If you have an interest in being involved in Council, please let Kate Raston (Council Chair) or myself know. The meeting will be held electronically as face to face meetings become more difficult. This may assist you with attending.

COVID-19

Thank you everyone for continuing to adhere to the COVID-19 mask wearing regulations as well as dropping and collecting your child/ren from the front of the school. The children are developing terrific resilience and independence skills as a result. It is very rewarding to see everyone (including Kindy and Pre-primary's) unpack their bags by themselves and get ready for the day.

Please remember to let us know if pick up and drop off arrangements for your child/ren change.

Kind regards

Yvonne Darcey

Principal
