Week 10 Term 1

Dear Parents and Carers

This is our final newsletter for Term 1 and as we draw to the end of a very busy term, I'd like to reflect on many of the exciting events that have occurred throughout this term:

- In term swimming
- Faction Swimming Carnival
- Crazy Hair Day
- Harmony Week
- Astro Tourism project
- Netball skill training
- ANZAC Assembly

These do not account for all the in-class learning your children engage in every day. I'd like to thank my staff for their commitment in what has been a challenging but rewarding term. With the changed restriction coming into play next term, I am sure we will all benefit from the engagement again. I'd like to take this opportunity to wish students, staff and families a safe and happy holiday break.

School commences for students and teachers on Tuesday 26 April.

COVID-19

A letter was sent home yesterday detailing the changes for Term 2. Masks and physical distancing will still be requirements, however I am very much looking forward to welcoming everyone back on school grounds.

P&C

I would like to take this opportunity to thank the P&C for their efforts in fundraising this term. They have done

- Catering for the Tammin Awards event
- Sheep Poo bagging

These two events alone have raised in the vicinity of \$1700.

This money goes to support each and every child at our school providing valuable resources that we would otherwise not be able to purchase.

I would strongly encourage everyone to donate any time you have to support the P&C with their fundraising endeavours as everyone benefits.

ANZAC Assembly

Our students did a tremendous job on Wednesday at Tammin Memorial Oval and presented themselves courageously and with confidence at our ANZAC Assembly. I could not be prouder of their efforts.

Thank you to everyone who was able to attend and a special thank you to our invited guests Mr David Rees and Mrs Joanne Soderlund.

Ballardong Aboriginal Astronomy Stargazing and Storytelling Night Under the Stars Invitation

We are excited to invite the Aboriginal Community, Elders, students and families to attend a free Stargazing night. Elders can share night sky stories and one will be chosen to go on a special planisphere.

When: Thu 5th May 6pm - 8.30pm

Where: Yorkrakine Rock

RSVP: Rebecca Fitzgerald – 0472 627 989

Free Sausage Sizzle

Night Under the Stars Workshop:

Around the campfire, Elders and students talk about Ballardong Aboriginal Astronomy, see Aboriginal night sky constellations, and choose an appropriate story for artwork to go on a Planisphere as a saleable souvenir.

Participants also look through telescopes, enjoy a laser tour of the night sky and students will learn all about space with our astronomer.

Discuss if any community members are interested to start a Ballardong Aboriginal Astronomy Storytelling business.

School Art Workshops: In following weeks, a Ballardong artist will work with students to design the artwork and this will be printed on a special Ballardong Planisphere.

BYO: Chair, drinks, torches, warm clothes, insect repellent.

In case of bad weather, this event will move to the Tammin Primary School Undercover Area.

The Ballardong Aboriginal Astronomy project is being delivered through Regional Development Australia Wheatbelt's Noongar Enterprise Development Support and funded by the Australian Government Department of Social Services, the Shire of Tammin and the Shire of Wyalkatchem.

Workshops are being delivered by Donna Vanzetti and Carol Redford, AstroTourism WA.
