Week 10 Term 2

## A message from the Principal.....

Dear Parents and Carers

Here we are at the end of another very productive and busy term. Thank you to everyone who has supported their child throughout this first semester to engage in the terrific learning programs .

### Reports

I hope you enjoyed reading your child/rens reports with them this week and celebrated their achievements. I had the wonderful opportunity to present the senior students reports to them and discuss with them what they felt they had achieved and what they wanted to work on further. They were very insightful conversations. Please don't hesitate to make a time to speak with your child/rens classroom teacher if you have any concerns regarding their education.

### Kindergarten Enrolment open

Kindergarten enrolment is now open for 2023. If you know anyone with a Kindergarten aged child in the area, please let them know to come in and collect enrolment forms.

### Community Partnerships: Asto Tourism – star gazing night and celebration

**REMINDER:** Don't forget about the star gazing night to be held at Yorkrakine Community Hall on Friday 22 July, 6pm until 8.30pm. Our students will be presented with a planisphere depicting the echidna constellation. The artwork on the planisphere has been done by our students together with the students from Wyalkatchem District High School. A sausage sizzle, camp fire and Aboriginal storytelling will feature as part of the evening. Our last star gazing night was a spectacular evening.

I hope you will be able to join us again for this final event.

### Term 3 – Carnivals

Term 3 sees the majority of our sporting carnivals take place. We have the following already in the calendar:

August 5: Cross Country and Colour Run (*Kellerberrin*)

August 19: Interschool Cross Country (*Meckering*)

September 2: Faction Carnival (*Donan Oval, Tammin*)

September 16: Interschool Athletics Carnival (*Merriden*)

This does not represent all of the terrific in class learning that the children will also be engaged in. It is going to be another very busy term!

### Wall Update

If you have not had the opportunity to come in to school lately, the wall upgrade has now been completed. The front of the school is looking rather smart. There is some work to do now on revamping gardens, but I'm really happy with the new and improved look. If you have any suggestions for the garden or any time to offer to help with the revamp, please let me know.

Finally, I would like to thank each of you for your support and engagement with our school throughout Semester 1. We continue to request Council and P&C members so if you feel you can offer any time to support the school, please come and see me or have a conversation with Kate Raston (Council Chair) or Glen Bradley (P&C Chair). I would like to take the opportunity to thank the hard working members of the Council and P&C. The wall is a great example of what we can do when we work together – THANK YOU. I will be continuing on at Tammin Primary School next term and look forward to seeing you all back after a well-deserved break. Have a safe and happy holiday everyone.

Regards

Yvonne Darcey

Principal
