Week 9 Term 3

A message from the Principal.....

Dear Parents and Carers

It has been a really busy term with many sporting events, NAIDOC activities, the early years' assembly, Dudes Day, excursions and that does not account for everything going on in class with the students learning.

Athletics Carnival

What a fantastic event on Friday 2 September. Well done to all of the students who gave their very best on the day allowing Tammin Primary School to come away winners. Well done and congratulations to the Meckering Primary School students for their participation. The day would not be the same without them.

Congratulations to everyone who won a trophy on the day. A special congratulation to Sophie for being awarded the Masson Shield. Thank you to Lainey Packham for her presentation of this shield.

The parent support was overwhelming! Thank you everyone for your input in the many things that need to be done to make an event like a sports carnival run so well. Thank you also to my staff who put in a huge amount of work in the weeks leading up to the day, particularly Caroline Bradley – our chief organiser.

Congratulations to all students selected to go on to the Interschool Athletics Carnival this Friday in Merriden. Good Luck!

Public Holiday

Next Thursday, 22 September, is a public holiday to commemorate the life of Queen Elizabeth II. School will be closed on that day. We are however open for business on Friday 23 September and look forward to seeing all students here for the last day of Term 3.

Learning Journey

Monday 19 September is our Learning Journey evening where you can come and enjoy the learning your child/ren have been engaging in. It is an exciting evening where your child/ren will guide you through a journey of experiences and achievements placed throughout the school. The evening begins at 5.30pm and will finish at 7pm. You can come along at any time during this timeframe to enjoy the journey. We invite you to join us for a BBQ hamburger as well. Please RSVP ASAP for catering purposes. I look forward to seeing you all there.

Thank You

I would like to thank the Tammar Village residents for their kind donation of sheep manure to go into our vegetable gardens. Spring is upon us and the students will be able to use the manure to prepare the garden beds for a veggie extravaganza! We hope that the Tammar Village residents will be able to join us to plant seeds and again later in the year when we get to eat the spoils!

Reminder

The P&C meeting will be held this Thursday at school starting at 6pm.

I encourage you to join the meeting and support the P&C. They have provided a great deal of funding to help the school this year including the revamp of the front garden and wall construction, Year 6 leavers shirts and the Year 5/6 Camp. I thank them for their commitment and continued support of the school.

2022 School Development Days

Monday 10 October

Friday 16 December

Early Years Class Excursion

The K-2 Class had a blast at their excursion to Cummins Theatre for the Edward the Emu performance. Including a picnic and play at the park and an exciting ride back to school on the TransWA Coaster. Thank you to parent helper Mrs Jackson and Mrs Bradley for driving the bus.

Early Years Class Assembly

We learnt from the Early Years Class procedures how to catch a dragon.

Dude's Day

On Thursday 1 September, we welcomed many dudes into our school to celebrate Father's Day. Everyone enjoyed a sausage sizzle and tried their luck in a cricket game against some tough competition. Thank you to all of the dads, uncles, grandparents, big brothers and special male figures for coming and supporting this event - it was a great afternoon.

NAIDOC Activities

Last Friday our students enjoyed taking part in NAIDOC Day activities. These included reading stories, painting pavers in the yarning circle, canvas painting and a free kebab lunch for all students.

NEWS FROM THE LIBRARY

Third Term - week one started great with 32 borrowers, and it's very exciting that our students are not just reading one book, some are borrowing two or three.

Over the term all our students got to do a book review which is proudly pinned to the Library wall.

We were very fortunate that Miss Sara purchased some new big books. These books are Teacher Resource books and are used over all learning areas.

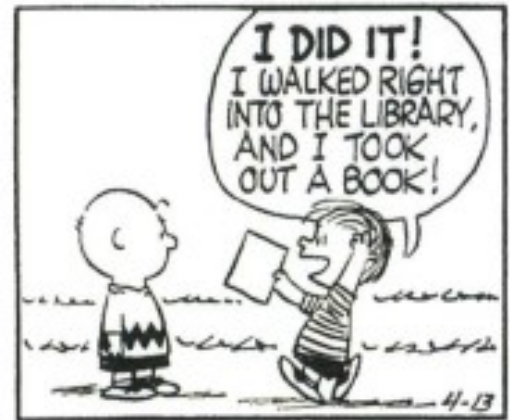

Thank you Sara for all your hard work organising this order to fit in with our Curriculum.

This term our students got to participate in the Premiers Reading Challenge. They had to read 12 books over a two-month period and our School was lucky enough to have 22 participants take part. I have sent the book records through to the Premiers Office and we will keep fingers crossed that someone from our School is one of the winners.

I was very proud of the students who participated and watching them be enthusiastic about reading and borrowing different books was very rewarding.

Well done everyone.

A big thank you to Mrs Lee Constantine for donating Junior Books to our Library. Our students love these sorts of books, and will enjoy them for many years to come.

A big thank you to Mrs Darcey and all the teachers for allowing our Students time to come and enjoy their Library, which they love. Lastly a big thank you to Mrs Bradley and Mrs Saunders for all your support. Regards Mrs Thomson
