Week 10 Term 3

## A message from the Principal.....

Dear Parents and Carers

As Term 3 draws to a close I want to take a moment to reflect on all the achievements of the term. We have engaged in:

- Cross Country and Colour Run at Kellerberrin
- Interschool Cross Country at Meckering
- Our Athletics Carnival
- The Interschool Athletics Carnival in Merredin
- Book week
- NAIDOC Celebrations
- Excursions
- And all culminating in our fantastic Learning Journey

Phew! What a term of sport and learning we have had!

Thank you to everyone who helped in any way with the events. They cannot occur without your support.

### Graduation Request

Last week an SMS went to all families requesting volunteers to help with this year's graduation celebration for our Year 6 students. It is a terrific way for families of younger students to get a feel for the process and support students who come to the end of their time at Tammin Primary School as your child/ren will one day experience. As part of the graduation, we engage the services of a photographer so students and their families have a recorded memory of their special day. If any budding photographers in the community would like to offer their services or if you know someone to recommend, please give the school office a call .

The graduation evening is planned for Thursday 24 November. If you can help in any way, please let us know.

### Public School Review

All WA public schools are reviewed by the Department. A review gives assurance to the community, the Minister for education and the Director General about the performance of the school in delivering high quality education for students. On Thursday 15 September, our school met with the Public School Review Panel. I am delighted to report that we met all expectations of the review. I would like to thank the staff for their hard work not only in preparing for the review process, but in the work they put in each and every day to ensure your child/ren have a high quality education. I would also like to thank Kate Raston (Council Chair), Glen Bradley (P&C Chair) and Rebecca Fitzgerald (co-opted Council member) for contributing to the process and offering the panel a community perspective on how the school is going.

**School starts back for students on Tuesday 11 October.** I wish you all a safe and happy holiday with your children and look forward to seeing you all back in a couple of weeks.

Kind regards  
Yvonne Darcey

# Interschool Athletics Carnival

“Well done to our Interschool athletics team who competed in Merredin on Friday. Our students represented our school as Tammin Role Models and demonstrated great determination and sportsmanship. We were lucky enough to win both the Handicap Shield and the Overall Highest Points Perpetual Shield.”

Year 5/6 Runner Up Girl: Sophie

Year 5/6 Runner Up Boy: James

# Learning Journey

Our learning journey on Monday evening was a very successful event with families and community members supporting our school. It was great to see so many families coming in to celebrate their children's learning and looking at all the amazing work on display.
