2022 Year 5/6 Camp

What a terrific four days the Year 5/6s had on Camp. Ern Halliday Recreation area is a fantastic facility and the activities offered to the students were challenging, exhilarating and kept us all on our toes. I was so impressed with how every student stepped up to the challenge and in many cases surprised themselves with what they could achieve. I am sure they have many stories to tell you about what they did on Camp.

Camp cannot go ahead without the attendance of adults who give up their time to ensure your child has a safe and happy experience. I would like to thank Miss Sara for attending Camp to support the students over the four days. I would also like to thank Brian Humfrey for attending Camp as the parent helper. Your commitment to giving everything a go and being such a terrific role model to the students was outstanding – thanks Camp Dad Brian!

Thank you to all the mums and dads who provided the very yummy food. We ate like kings for the whole Camp!

Staffing

Troy Cook has been our school gardener for the past 12 months. Troy has made the decision to leave this role and pursue other opportunities. I would like to thank him for his time at Tammin Primary School and wish him well in his future endeavours.

World Teachers Day

Australia will celebrate the teaching profession on World Teachers' Day on Friday 28 October 2022.

Our teachers have shown great resilience during challenging times, all so they can give Australian students the best future possible.

Hats off to teachers this World Teachers' Day!

We are encouraging students, their families and the community to celebrate teachers. What do teachers mean to you?

Thanks everyone for your ongoing commitment and support of our terrific school.

Regards

Yvonne Darcey

Principal

ORIENTATION
we'll help you find your way

Year 5/6 School Camp

Our 5/6's have had a fantastic four days away at Ern Halliday Recreation Camp at Hillarys. There were many challenges and experiences such as orienteering, caving, crate climbing, kite making, archery, zip lining, fish and chips at the Boat Harbour and swims at the beach just to name a few. We would like to thank Mrs Darcey, Miss Sara and our awesome camp dad Brian, for providing the kids with such a rewarding experience. No one wanted to come home!

Early Years Class Term 4

The Junior classroom has hit the ground running this term and were also host to the year 3/4's whilst the 5/6's were on camp. All year levels were busy working on art activities together and then the P-2's have been concentrating hard on their fine motor skill development.
