14 December 2022
Week 10 Term 4

A message from the Principal.....

Dear Parents and Carers

What a terrific evening our Presentation Night was. I hope you all enjoyed it as much as I did. I could not be prouder of our students for their performances and the staff for their organisation.

As I reflect back on the year, I am quite overwhelmed not only with what we have achieved in a short 12 months, but what we had to negotiate through to get there. COVID-19 played a big part of what we could and could not do in the first half of the year.

Despite the challenges, we have had many highlights to celebrate. We engaged in swimming and athletics carnivals, Mothers and Father's day celebrations at school, Blast Cup cricket, and the Year 5/6 Camp to name just a few of the highlights of 2022.

These activities and others have involved many of our students and brought the school community together in a time when we needed community the most. They have been made possible by committed staff, students and you, our parents, and families.

All students can be proud of their achievements this year. I am sure you have had the opportunity to celebrate your child's achievements with them as you read through their reports.

Schools are, however, more than just about academic results. The values displayed by our students are very positive. Daily, we see examples of students supporting each other and going above and beyond what is expected of them. It truly is like being a member of one big family here at Tammin Primary School.

I'd like to take this opportunity to publicly thank my staff, both teaching and non-teaching, for their professionalism throughout the year. As a staff, we continue to strive to create the best possible learning environment for our students. Your support of staff is greatly appreciated. I thank the many parents who take the time to acknowledge the fine work they do. I know it is greatly appreciated by the individual staff members.

Our P&C has again had a very successful year. They continued to raise much needed funds to support identified projects and events that have occurred during the year. This is, as always, greatly appreciated by staff and students. To Glen Bradley P&C Chair, and all P&C members, thank you for giving your time to support our school.

The Tammin Primary School Council has continued to fulfil its governance role during 2022. I thank Council Chair Kate Raston and all members of the Council for their contributions to this important school decision making group.

I would especially like to thank Liz McDonald, Michelle Wilson, Nick and Narelle Caffell, Rik Soderlund and Glen Bradley who will be leaving the School Council and P&C this year. Thank you for your many years of service to our school.

I would like to acknowledge the many parents, grandparents and families who have supported us in so many ways throughout the year – Thank you. Your support means so much.

And finally, I'd like to wish all Tammin Primary School families and the whole Tammin community a safe and happy Christmas and New Year.

Warm Regards
Yvonne Darcey
Principal

2022 School Development Days

Friday 16 December

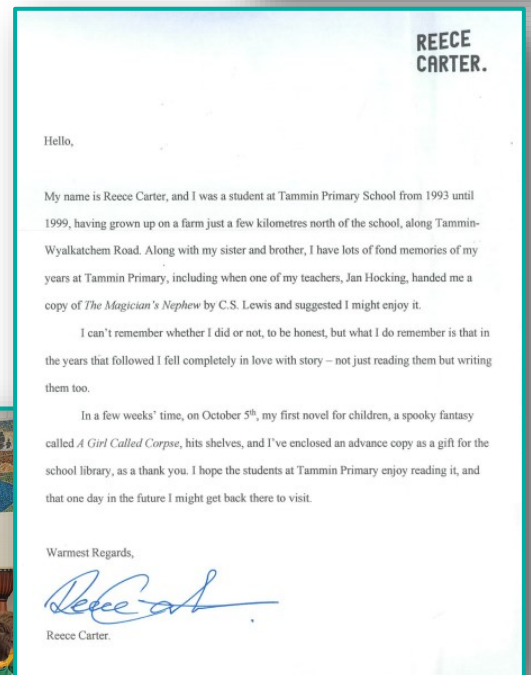

REECE CARTER.

Reece grew up on a farm in Tammin and attended Tammin Primary School when he was younger. His love for stories - especially those filled with whimsy, magic and a little bit of weirdness, began as a child however, it wasn't until high school he tried his hand at writing his own stories.

© Reece Carter, who grew up in Tammin, worked as a nutritionist and would write after hours. Credit: Simon Fitzpatrick

Earlier this year Tammin Primary were gifted a copy of 'A girl called corpse' by Reece. The Year 3-6 class has been reading the novel together and were lucky enough to get the special opportunity to meet Reece via Zoom and ask all their exciting questions. The whole school came along to enjoy the meeting. This was a great learning experience for the children. It isn't everyday we get to have a chat to a successful author who used to live in our own town. Thankyou to Melissa Marchant for passing on Reece's contact details to allow this to happen.

End of year presentation night 2022

Congratulations to our award winners:

Citizenship Junior Primary Award

Claire Swann

The Power of Positive Parenting

Free Seminars for Parents

All parents want to have a positive relationship with their child. Sometimes this can be challenging when children are demanding, disobedient, defiant, throw temper tantrums or are generally disruptive.

Parents are invited to attend free parenting seminars to learn:

- Effective parenting strategies
- Ways to encourage positive behaviour
- How to promote your child's development
- Practical, effective ways to prevent or manage common child behaviour problems.

Triple P Positive Parenting Seminars

(for parents of children 3-12 years)

Triple P suggests simple routines and small changes that can make a big difference to your family. These parenting seminars will leave you feeling more confident to deal positively and effectively with common child behavioural and emotional issues.

Each 90 Minute seminar includes a presentation and an open discussion and question time.

Parents may choose to attend just one, two or all three of the following seminars:

Seminar 1: The Power of Positive Parenting (Tues 7th Feb 2023 9.30am – 11am)

This seminar introduces parents to the five core principles of positive parenting:

1. Ensuring a safe, engaging environment
2. Creating a positive learning environment
3. Using assertive discipline
4. Having realistic expectations
5. Taking care of yourself as a parent

Seminar 2: Raising Confident, Competent Children (Tues 14th Feb 2023 9.30am - 11am)

This seminar shows parents how to use positive parenting principles to teach children important values and skills, to enable them to do well at school and beyond.

Seminar 3: Raising Resilient Children (Tues 21st Feb 2023 9.30am - 11am)

This seminar discusses how parents can help their children learn skills to manage their emotions. Parents will learn practical ways to help children recognise and accept feelings; express their feelings appropriately, develop coping skills, and deal with upsetting or stressful events.

Seminars are being held at Cunderdin District High School.

9am for a cuppa. Seminars start at 9.30am and will finish by 11am.
