Dear Parents and Caregivers,

From time to time as part of the school program, your children will have the opportunity to watch movies, television programs and other educational media which have a G (General audiences) or PG (Parental guidance) rating.

To permit your child to view G or PG programs, permission must be sought. If you do not permit your child to watch these programs they will complete class work and be supervised in another classroom.

Please complete and return the permission slip below.
