23 June 2023  
Week 9 Term 2

## A message from the Principal.....

Dear Parents and Guardians,

Thank you for another great term at Tammin Primary School. I feel so lucky to be able to work with our fabulous students, families, and community members for the remainder of the year and beyond. I would like to thank Miss Button and Miss Sara for all their hard work this semester and wish them all the best for their future endeavours. Our families will most definitely miss you!

### Bush Tucker Garden Project

Students across the school have continued to work on our Bush Tucker Garden Project. We have learnt about the plants, animals and special symbols that are related to each Noongar season and used this knowledge to create designs, which we will have transfer to signs to display in the garden.

### Cross Country

On 21<sup>st</sup> June, we joined Kellerberrin DHS for the Cross Country. Tammin students yet again made us proud by showing their amazing sportsmanship and resilience during the day.

Congratulations to our champions;  
Mason Hayden for placing 2<sup>nd</sup> in the P-2 boys race  
Lyra Hocking for placing 1<sup>st</sup> in the P-2 girls race

We then had lots of fun participating in the colour run!  
Check out our mess!

### Semester Reports

Semester 1 reports will be sent home after school on Tuesday 27<sup>th</sup> June. Please take some time to read through and discuss the achievements of your fantastic children.

I hope everyone has an enjoyable holiday break and I will see you in Term 3!

Thank you,

They began with singing the classic children's song 'Heads, Shoulders, Knees & Toes' in Noongar with the junior class joining in on the dance moves. They followed by a robotic dance called 'Mr Robot' and showed off their amazing robot dance moves which is much trickier to do than it appears .

Congratulations to our champions; Mason Hayden for placing 2<sup>nd</sup> in the P-2 boys race and Lyra Hocking for placing 1<sup>st</sup> in the P-2 girls race. As always the colour run was a welcomed reward at the end of the carnival. Smiles all round.

# **WEST COAST** **FEVER CUP**

On Thursday our year 3-6 students joined forces with Meckering Primary to compete in the Wheatbelt Netball Cup held in Northam. Our two teams represented Tammin & Meckering Primary proudly displaying great sportsmanship. The 5/6 team managed to win 7-6 against Moora with some great passages of play. Thank you to all of the staff and helpers with a special shout out to April Swan who was on hand to run errands and make sure everyone was looked after.

## A note from the School Health Nurse

### **Online Safety - how to keep your child safe online** (Information from Aimee, your School Nurse)

Protecting your children from harm is just as important online as it is in the real world. As a parent or carer, you can play an important role in helping children have safe and positive experiences online.

The internet offers an exciting world of experiences for children and the whole family. It can be entertaining, educational and rewarding. However, using the internet also involves risks and challenges.

Children might be exposed to content that is sexually explicit, violent, prohibited or even illegal. They may also experience cyber bullying or be at risk from contact by strangers

Children may - unknowingly or deliberately - share personal information without realising they may be subject to identity theft, or that they are leaving behind content that might not reflect well on them in the future.

By taking an active role in talking with your kids about the risks and answering their questions or concerns about something that they find on the Internet you can help them stay safer online.

For more information on keeping your children safe online try the following website:

# SCHOOL PHOTO DAY IS COMING!

Dear Parents,

If you pay online, there is no need to return the order envelope to school.

*The unique codes contained on the envelope will be issued only once.*

Alternatively, you can pay by cash and return the provided envelope to the school on the photography day. Please note the photographers cannot provide change.

### Order **EARLY** for sibling photography

Sibling photos can **ONLY** be ordered online. Once you receive your envelope, it is imperative that you order your sibling photo early to avoid missing out! There is a physical limit in the school schedule to how many sibling photos can be taken. Once the maximum capacity of sibling orders has been reached, no more sibling orders can be placed.

If maximum capacity is not reached, sibling orders **close 12pm midday sharp, one business day prior** to the first photo day.

*The school or the photographers cannot accept late orders for sibling photography. Please do not ask as your request simply cannot be accommodated.*

# Teen Triple P Seminars

**The Triple P – Positive Parenting Program® knows all parents have different needs. That's why Triple P has many different ways for you to get your parenting help. So you can choose what will suit you and your family best.**

## Who is this for?

- parents of teenagers

## Teen Triple P can help

- build a better relationship with your teenager
- reduce conflict
- keep your teenager safe
- be realistic about parenting
- take care of yourself

## Is this you?

Your baby's almost an adult, or at least that's what he or she thinks. So life at home can be a little strained. Maybe your 13-year-old son grunts instead of speaking to you. Or your 14-year-old daughter wants to go to parties with people you don't even know. It's not that you've got a "wild" kid. You'd just like to make sure things don't get out of hand.

## What are Teen Triple P Seminars?

Teen Triple P Seminars are for large groups of parents – perhaps 20 or more. They're informal presentations, a little like a public forum.

There are three seminars in the Teen Triple P Seminar series. You can choose to do one, two or all three of them. They deal with the most common parenting issues we all face, such as how to encourage responsible behavior, improve family relationships, deal with independence or manage problems at school or with friends.

The three seminars are:

- Raising Responsible Teenagers
- Raising Competent Teenagers
- Getting Teenagers Connected

## Where do I go for a seminar?

Seminars will usually be organised by a community organization like a local school, child health center or a church group and be held in a public space like a clubhouse or hall.

## What Happens at a Teen Triple P Seminar?

Each seminar lasts 90 minutes. There's no homework and no follow up. But you'll be given a tip sheet to take home to remind you of the great ideas you've heard. You'll be able to start positive parenting straight away, to get back on track with your teenager – or be ready for what's ahead.

Being held at Cunderdin District High School on  
Tuesday 1 August, Tuesday, 8 August and Tuesday, 15 August 2023  
from 6pm - 7.30pm

Register your interest for catering and attendance purposes on 96353 300 or email [emma.bradbury2@education.wa.edu.au](mailto:emma.bradbury2@education.wa.edu.au)

A sausage sizzle will be provided along with a creche for families who require child minding services whilst attending the program.
