5 March 2024  
Week 6 Term 1

A message from the Principal.....

Dear Parents and Guardians,

## Swimming Carnival

Well done to all our students for a fantastic day at the Cunderdin Pool for our Swimming Carnival this year. It was great to see you all jumping in and having a go at the races! Congratulations to Nate for winning Champion 5/6 boy and Nina for Runner up Champion 3/4 Girl. Nina and Nate will represent Tammin PS at the upcoming Interschool Carnival held in Merredin this Friday the 8<sup>th</sup> of March.

## Hockey

Tomorrow, Wednesday 6<sup>th</sup> March, a representative from Hockey WA will be coming to Tammin to run a hockey skills session with both classes. Our students enjoy having visitors to our school and we look forward to having them back again!

## End of term reward

A note has been sent home to families regarding our End of Term reward for our students. We will be heading to Perth to spend the day at Caversham Wildlife Park! This day has been planned for our students who display positive behaviour and attendance this term and they have been reminded in order to attend the day they must consistently demonstrate this. We hope we get to enjoy this day all together as a whole school!

## Parent meetings

Notes will go home shortly requesting Term 1 parent-teacher meetings. This is a great time to engage with the classroom teachers to discuss how your child/ren have started the year and hear about some of the great achievement's students have already accomplished at the beginning of this year. If you have any questions at any time, please don't hesitate to contact us through student diaries, seesaw or via the office phone.

## Assembly

Don't forget, our first merit certificate assembly will be on Wednesday 20<sup>th</sup> March at 9am at the front of the school. We hope to see you all there.

Thank you,

**Emma De Cinque**  
*Principal*

## Swimming Carnival

Well done to all our students who competed in the Swimming Carnival against Meckering Primary School on Friday 16 February in Cunderdin. Special congratulations to Nate, Champion year 5/6 boy and Nina, Runner up Champion year 3/4 girl. Nate and Nina have both qualified for the upcoming interschool swimming carnival in Merredin.

## Clean up Australia Day

Last Friday the Shire of Tammin joined us for an excursion to clean up the community. Our Tammin tribe did a fantastic job of safely picking up rubbish with the Shire's outside crew. Great work team!

# Breakfast every day

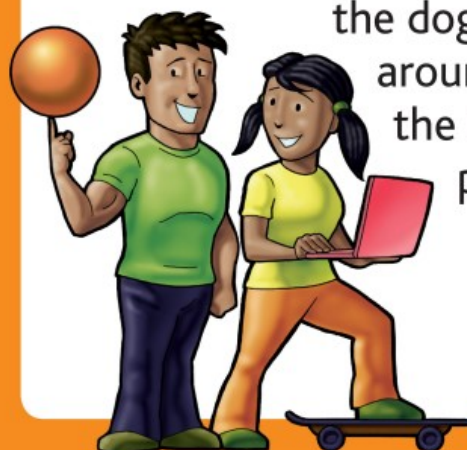

There's no doubt that breakfast is the most important meal of the day. A healthy breakfast fuels children's brains to help them stay on task, pay attention and absorb new information. Ensure a healthy breakfast is available everyday either at home or at your School Breakfast club.

# Keep active!

Physical activity improves kids performance and behaviour at school. An active body makes an active mind. Plan to walk at least one way every day to or from school, play outside, walk the dog or run around at the local park.

## A note from the School Health Nurse

Welcome to the new school year. My name is Aimee Leeson and I am the School Health Nurse who visits your school.

School Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of my work is focused on early intervention and the School Entry Health Assessment program. Additionally, the nurse can be contacted at any time throughout primary school if you have concerns about your child's health, development or wellbeing.

School Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. They also work in partnership with schools to support teachers in health related curriculum and can assist in the development of health care plans for students with complex and chronic health needs.

The services provided are free and confidential.

### Sun safety

With the hot weather well and truly here, it is important to talk to your children about sun safety and teach them good sun protection habits.

**Slip** on some sun-protective clothing that covers as much skin as possible.

**Slop** on broad spectrum, water resistant SPF30+ sunscreen. Put it on 20 minutes before you go outdoors and every two hours afterwards. Sunscreen should never be used to extend the time you spend in the sun.

**Slap** on a hat that protects your face, head, neck and ears.

**Seek** shade.

**Slide** on some sunglasses – make sure they meet Australian Standards.

Extra care should be taken between 10am and 3pm when UV levels reach their peak. Water is the most important drink to have throughout the day!

## Circle of Security® Parenting™

### A Relationship-based Parenting Program

Circle of Security Parenting (COSP) is a FREE 8-session series that focuses on supporting and strengthening parent-child relationships and teaches new ways to understand and respond to your child's needs. It is based on decades of attachment research, and allows parents to learn, understand, and make mistakes without judgement.

The program will foster not only healthy relationships between parents and children, but lifelong benefits for the child.

**No cost. Bookings essential.**
