Week 4 Term 2

A message from the Principal.....

Dear Parents and Guardians,

The Magical Weedy Sea Dragon

We had a great time travelling to Merredin last week to watch the stage show 'The Magical Weedy Sea Dragon!' The students loved the show and playing at the Kellerberrin Park afterwards! Well done to everyone displaying fabulous behaviour, showing kindness and respect, throughout the day.

'I enjoyed playing at the Kellerberrin Park. Walking to the pink bridge was fun' – Nate
'The Magical Weedy Sea Dragon was a story about a kid who forgot to be kind. I liked all of it!' – Emma

'It was funny when *Elfish* came out and was dancing around the stage' – Axl

AECD

Over the next few weeks, Miss Wackett and I will be conducting the Australian Early Development Census for our Pre Primary students. This is a survey conducted every three years across all government schools in Australia. A letter with additional information will be sent out to the families of our Pre Primary students.

Camp

This year our year 5 and 6 students will be heading to Woodman Point in Coogee for our school camp in Term Three. Our students are very excited to attend camp, and have starting picking some fun activities to do! Families of our students can expect more information in the upcoming weeks.

Premier Reading Challenge

This year, our students will be participating in the Premiers Reading Challenge. The challenge begins on the 6th of May and finishes on 6th of September. The challenge is to read as many books as possible and log them on the Reading Challenge System. Each student will take home a reading log today which they can fill out and return to school and we will upload the books every Monday to their online reading log. We hope to see lots of students participating in this challenge!

Term 2 Planner

Please remember to take note of the important dates set in the term planner for Term Two.

Thank you,
Emma De Cinque
Principal

CAVERSHAM WILDLIFE PARK

PERTH, WESTERN AUSTRALIA

End of Term Rewards days are held at the end of each term for all students who display the TPS Positive Behaviour Expectations and student attendance throughout the term. Our rewards day for Term One was to attend Caversham Wildlife Park. This was a great incentive and all the students had a great experience. Term Two's End of Term Reward will be announce soon.

Red Cross Incursion

Last week the Australian Red Cross visited Tammin Primary. Our students took part in the Pillowcase Program. The students learnt about the importance of being prepared for an emergency situation. How to prepare their minds for the stress, feelings and emotions they might experience during and after an emergency and they created a pillowcase emergency kit, to help decide what would be important to take with them if they had to leave in a hurry. The students all really enjoyed the incursion and loved their surprise teddy they were given by the ladies from Australian Red Cross.

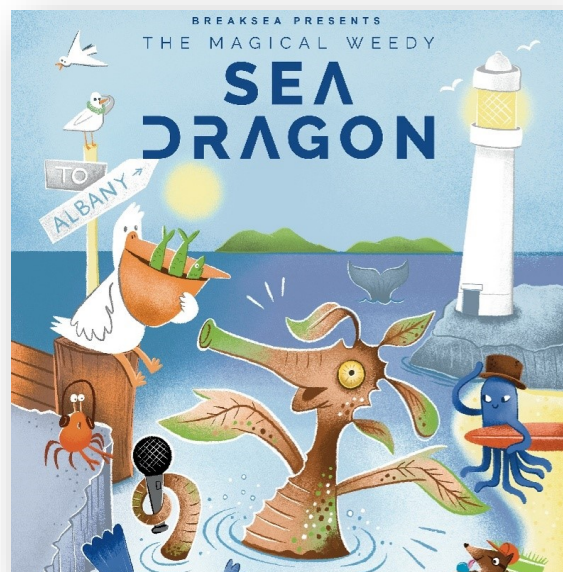

The Magical Weedy Sea Dragon Excursion

We had a great time travelling to Merredin last week to watch the stage show 'The Magical Weedy Sea Dragon!' The students loved the show and playing at the Kellerberrin Park afterwards! Well done to everyone displaying fabulous behaviour, showing kindness and respect, throughout the day.

'I enjoyed playing at the Kellerberrin Park. Walking to the pink bridge was fun' – Nate

'The Magical Weedy Sea Dragon was a story about a kid who forgot to be kind. I liked all of it!' – Emma

'It was funny when *Elfish* came out and was dancing around the stage' – Axl

A note from the School Health Nurse

Sleep

School-aged children need 10 -11 hours sleep a night. Getting a good night's sleep will help your child to be more settled, happy and ready for school, and will strengthen his/her immune system.

Here are some sleep tips:

- Have a bedtime routine – this will help your child wind down from the day.
- Keep the bedroom dark, cool and quiet - this will help your child drift off easily.
- If anxieties or worries are keeping your child from relaxing, acknowledge the feelings and deal with it straight away or plan to sort the issue out in the morning after a good night's sleep.

Remember, medication is not the answer to children's sleep problems.

Should you require further information about sleep, contact your local Community Health Nurse, **Aimee Leeson** on **0400 182 654**, or go to <http://raisingchildren.net.au>
