Week 10 Term 1

A message from the Principal.....

Dear Parents and Guardians,

Interschool Swimming

Congratulations to Nina, Xavier and Lyra for representing Tammin at the Interschool Swimming Carnival held in Wyalkatchem. Well done Lyra for winning the Champion Girl trophy and Xavier for winning the Champion Boy trophy. What an amazing result for our small school!

Tammin Role Model

We have decided to change our 'Student of the Week' achievement to 'Tammin Role Model.' The Tammin Role Model will be given out each fortnight and will be based on our current behaviour focus at that time. Congratulations Nina, Axl and Matilda for being our Term 1 winners.

Program Kaartdijin (Compass)

Next term, Tammin PS will begin a launch into a new system for attendance, behaviour tracking and parent communication to replace our current system of Integris and MGM messaging. This is a department wide change that all Department of Education schools will be engaging in over the upcoming years. More information to come for families at the beginning of next term. Any questions, please contact us in the office.

Public School Review

Thank you to all the staff, parents and students who supported us through our 2025 Public School Review. We were very pleased with the recognition and positive comments about Tammin Primary School. An official report will be available soon for public viewing.

I hope everyone has a fantastic holiday break and I look forward to continuing our positive achievements and growth in Tammin in Term 2!

Thank you,
Emma De Cinque
Principal

KIDS NEWS!

By EMMA and CLAIRE

3-6 class work

The 3-6 class have done an artwork about themselves. They are very colourful and creative. Come into our class in the morning and have a look at them.

ASSEMBLY

Last week we had our first assembly for the year. Congratulations to the merit certificate winners. Thanks everyone for coming.

Art

This year we have a new teacher to come do art and wellbeing sessions with us, her name is Miss Liz. Our favourite thing that we have done with her is doing collages and weaving sticks.

K-2 class

The K-2 students have:

Marlee: We have written some stories.

Alby: I have learnt about measurement.

Leo: We learnt how to cut neatly and count.

Lyric: I made rain for the letter Rr.

INTERSCHOOL SWIMMING CARNIVAL

Tammin Primary joined with Meckering Primary and Merredin College to compete in the East Avon Schools Association Interschool Swimming Carnival on 21 March at Wyalkatchem.

An outstanding effort by all students winning the Overall Shield for the event.

It was a very successful day for our competitors breaking records, receiving multiple championship trophies and winning every secondary relay on the day.

A big congratulations to our representatives from Tammin Primary, Nina, Xavier and Lyra. You all swam very well and represented your school with pride. Well done to Lyra for winning the Year 3 Champion Girl Trophy and Xavier for winning the Year 3 Champion Boy Trophy.

A note from the School Health Nurse

Immunisation - Reminder

Maintaining a high level of immunisation within our community is very important to controlling many communicable diseases in Australia.

It is important for parents to make sure that their children have received all of the childhood vaccinations. This includes Measles, Mumps, Rubella, Diphtheria, Tetanus, Pertussis (whooping cough), and polio vaccines as soon as your child has turned 4 years old. If you are unsure, phone 1800 653 809.

If your child has missed out on vaccinations, a doctor or immunisation nurse can provide 'catch-up' vaccinations.

Make an appointment with a GP or visit the local (free) immunisation clinic run by **your local Child Health Nurse (Donna Jasper at Cunderdin Health Centre T: (08) 9635 2216 | M: 0407 933 513)**

Raising Children Network

Children are as individual and as different as their parents and making decisions about what's best for raising children is very personal.

The Raising Children website offers up-to-date, research-based material on more than 800 topics spanning child development, behaviour, health, nutrition and fitness, play and learning, connecting and communicating, school and education, entertainment and technology, sleep and safety.

It covers [grown-ups](#), [newborns](#) (0-3 months), [babies](#) (3-12 months), [toddlers](#) (1-3 years), [preschoolers](#) (3-5 years), [school-age children](#) (5-9 years), [pre-teens](#) (9-11 years), and [early teens](#) (12-15 years).

There are tips, videos and other useful resources.

The Raising Children Network provides information that can help parents with the day-to-day decisions of raising children. It also provides information to help parents and carers look after their own needs. The information is based on the best science in parenting, child health and development, presented in language we can all understand. This is a website for Australian mothers, fathers, grandparents and anyone else who has responsibility for the care of children. www.raisingchildren.com.au
