

TPS Bulletin

26 May 2025
Week 5 Term 2

A message from the Principal.....

Dear Parents and Guardians,

Tammin Role Model

We have again started up our fortnightly Tammin Role Model for Term 2, congratulations to Lucy for being our first Term 2 winner!

Program Kaartdijin (Compass)

Tammin PS has started using the new system for attendance and behaviour and wellbeing tracking. This is a department wide change that all Department of Education schools will be engaging in over the upcoming years.

From this date onwards, you will receive text messages from 'TamminPS' with a link for unexplained absences. Please use this link or call the school office to let us know if your child/ren are not at school.

Unfortunately, we are now unable to receive text messages, other than an attendance note through the sent link. If you have any questions about Compass or attendance, please come and see us in the office.

Assembly

Our next Year 3-6 assembly will be held on Wednesday 11th June at 2:40pm. We hope to see you all there.

Excursion to Bilya-Koort Boodja

On the 25th June (Wednesday, Week 9), we will be travelling to Northam to visit the Aboriginal Cultural Centre, Bilya Koort Boodja. Miss Stack is very excited to give us a tour of the centre and we will participate in arts and craft while we are there. This will be followed by lunch and a play in the park. It is expected students continue to demonstrate positive behaviour and follow the Tammin Primary School rules, as well as having regular attendance to be able to attend this excursion. More information will be sent out soon.

Thank you,
Emma De Cinque
Principal

Term Planner

- Wednesday 28 May - School Council & P & C Meeting 7.30am
- Monday 2 June - P/H WA Day
- Friday 6 June - Primary Winter Carnival
- Wednesday 11 June - Year 3-6 Assembly
- Wednesday 25 June - Bilya Koort Boodja Excursion Northam
- Friday 4 July - End of Term 2

Future Dates

2025 School Development Days

Monday 21 July

Monday 13 October

Friday 19 December

Term 2 Incursions

This term the K-6 learners will be taking part in 4 golf clinics on Tuesday afternoon run by their favourite sports coach Jarrad.

They have been learning some new skills and techniques all whilst building gross motor skills. We are very fortunate for grant funding through Sporting Schools to help with associated costs to have such incursions and all students thoroughly enjoy the sessions each week.

Online Workshops for Regional Schools

Save the date and give your students the opportunity to connect with award-winning authors and illustrators.
26 March | 16 May | 20 August | 19 November
FREE | Registrations coming soon

STATE LIBRARY
WESTERN AUSTRALIA

The students took part in an online workshop run by the State Library of Western Australia with Children's Book Author and Illustrator Kylie Howarth. Kylie has published multiple children's books and shared her best seller, *Koalas Stole My Undies* with the Tammin Primary School Students.

A note from the School Health Nurse

Dental health - Keep your child's teeth healthy

Teeth are important possessions. Here are some tips for keeping them healthy.

- Brush teeth at least twice a day with a soft toothbrush. Parents should supervise tooth brushing until children are 8 or 9 years old as they haven't got the dexterity to brush the molars properly until then.
- Adults and children should use a pea-sized amount of fluoride toothpaste. Toothpaste should be spat out after brushing and never eaten or swallowed. Do not rinse your mouth out with water after brushing your teeth.
- Rinse your toothbrush thoroughly after brushing and store it hygienically. Replace your toothbrush regularly.
- Older children and adults should floss their teeth daily.
- Eating and drinking healthily is important for keeping your teeth healthy – try to keep away from too much sugar, especially between meals.

The **School Dental Service** provides free general dental care to school children throughout Western Australia, ranging from pre-primary through to Year 11 (or 17th birthday). Contact your closest [School Dental Therapy Centre](#) or Dental Health Services on 9313 0555 for further information. Those requiring interpreter services should refer to the Dental Health Services [Interpreter Service](#) information.

Colour Blindness

It's good to know if a child is colour blind, as they may struggle in school with activities that use colours, such as drawing and sorting blocks.

Colour blindness might become obvious after the age of 4 years and is more common among boys. Children who are colour-blind can see as clearly as other children but cannot tell the difference between some colours or see colours differently from other children. This usually happens with reds and greens, and sometimes with blues and yellows.

If your child is colour blind, it's good to inform their teacher about the condition. This will allow the teacher to choose activities that don't involve spotting colour differences.

For further details, please see [Raising Children Network](#).

If you have any concerns, colour vision testing can be performed by some General Practitioners (GP), eye specialists or optometrists. You can also contact your local School Health Nurse, Aimee Leeson on 0400 182 654 for advice.

Apply to enrol your child for 2026

Closing date: 25 July 2025

Voluntary Contributions 2025

Your contributions will be used to supplement school funding for example—School incursions and excursions, extra resources to support and extend learning programs etc.

Total Payable \$50

For more than one child attending TPS, a contribution discount applies:

2 Children	\$90.00
3 or more Children	\$120.00
