

TPS Bulletin

15 December 2025
Week 10 Term 4

A message from the Principal.....

Dear Parents and Guardians,

Graduation

Last week we held a Graduation afternoon party at the Tammin Pavilion for our Year 6 student, Emma Brose. It was a great afternoon with all her class. Thanks to Liz-Nedela Campbell for assisting with the set up and cooking! Congratulation Emma, we wish you all the best for high school.

Reports

Reports will be sent home Tuesday 16th December for all students. Please read through reports with your child/ren to celebrate all their achievements in 2025.

Water Play Day

On the last day of school, Thursday 18th December, we are lucky to be supported by the Tammin Shire to hold a Water Play Day at the oval for our students! Thank you, Tammin Shire! A free sausage sizzle will be provided by the school. Please pack a lunch if your child does not want to have a sausage sizzle. Students may even get an extra special treat perfect for a hot day!

A reminder that Water Play Day and all reward days are a privilege and not a right. As stated in our TPS Behaviour Policy, participation in these days and events are based on students' attendance, behaviour and attitude at school.

End of year award night

Our presentation awards night will be held at the KEP, Tuesday 16th December from 6pm. Students are to arrive by 5:45pm. They have been working hard on their performances ready for a great night! Students will be required to wear plain black or white pants and top or dress for the night. Please ensure shoes are comfortable to move and dance in. Year 6 students will also be required to bring their Tammin Primary School shirt for the graduation presentation.

Finally, have a fantastic Christmas break and I will see you all in the new year!

Thank you,

Emma De Cinque

KIDS NEWS!

By the year 3-6 class

2025 HIGHLIGHTS

On the 16th of March we had our own swimming carnival at Cunderdin swimming pool we took the bus there and the Kindies also came for their first school carnival. We had lots of fun. The kindies did little events like the harvesting race they were SO cute. The other kids did races to. At the end of the day Harry's grandparents cooked us sausages for lunch and they were outstanding. There were also awards at the end and some students qualified for interschool swimming Carnival.

In term 2 we went down to the Tammin oval to take part in golf lessons with Jarrod. He came for 4 weeks. The kindy kids came to school so they could play golf too. We hope we can do it with Jarrod again next year.

In term 3 we had our athletics carnival where we competed against Meckering. We all took part in different things such as long jump, triple jump, shot put, throwing and more. For lunch we had a sausage sizzle and a juice box which we all enjoyed before our sprints. We all had an awesome day and cheered people on whether it was in a race or when we were doing presentations. Also, a big thanks to the P+C for preparing all the food for both schools.

In term 3, Sixteen Legs, a spider exhibit, came to our town hall. Our school went to see it there were fake spiders attached to the roof and lots of boards with stories and facts. Nina was terrified but the rest of us thought it was a fun experience. Thanks to the shire for organising it.

Lately the students at Tammin Primary School have been making props for the end of year concert. With the aid of the teachers, we have also been practising for our 3 items. The big kids' class have nearly finished our prop for our 2nd item, and we can't wait for you to see it! We hope to see you at the Kep on week 10, Tuesday for our presentation night.

A note from the School Health Nurse

Building resilience

Resilience is the ability to cope with difficult situations and 'bounce back' when things go wrong. Young people need to develop resilience in order to navigate life's ups and down. As a parent, you can help your child to become resilient by giving him or her opportunities to learn and practice new skills, for example:

- Allow your child to solve some of their own problems. Learning to deal with issues builds skill and confidence. Don't jump in to fix things, unless the situation has got out of hand.
- Arrange a fun, child-friendly activity each week like a trip to the park, play date with a friend or watching a favourite movie. Regular 'ups' provide a bank of positive emotions to buffer against life's 'downs' that may involve disappointment or conflict.
- Help your kids to think positively. If your child is frustrated by a difficult maths problem, say, "I know that question was hard today, but yesterday I saw you solve a hard problem. You kept trying until you worked it out."
- If you have a disagreement with your child, the most important thing to do is to reconnect and repair the relationship. Let your child cool down then offer a hug or words of support. This has benefits for your child's mental health as well as their ability to deal with relationship problems throughout their life.

For more information about raising a resilient child, go to www.kidsmatter.edu.au or <http://raisingchildren.net.au> or contact your local GP, Community Child Health Nurse, or School Health Nurse (Aimee.Leeson@health.wa.gov.au).
